

Meet LJ, the friendly hunk and good looking Camp Site's Chief Steward and COO (Child Of Owner). He takes care not only of the Resort and Camp Site's premises but also takes care of You during your stay. If you feel like singing, he can sometimes play guitar for you upon your request.

LJ is assisted by his two (2) friends, Randy and Gau. Randy and Gau are the ones who helped build the structures of the Lake Resort and develop the surroundings of the Camp Site. They are responsible to make sure that the Lake Resort, Camp Site, and You are all safe and secured. They are happy to assist you, like lighting up the firewood for the Bonfire, setting up charcoal in the BBQ Grill, refill the clean drinking water in the Dirty Kitchen, and more, but please note that they are there not to wash your dishes, setup your bedding and related stuffs.

Allow them all to rest between 10 PM and 8 AM and unless necessary or an emergency, please avoid calling them after or before those indicated hours.

If you want to go Boating, LJ will introduce you to their other friend named Larry (a local Brgy. Tanod)

Donations for the sustainability and maintenance of the Lake Resort and Camp Site can be placed in the donation boxes that can be seen around; but tips for appreciating the help of either LJ, Randy, Gau or Larry can be given directly to them.

Camp Site Rules are so simple. Just always be guided by good principle.
